

Got the skills? Get paid to become a qualified TAFE NSW Roof Plumbing Teacher.

Make a career change that can change lives. Use your skills, experience and passion for your industry to become a qualified TAFE NSW teacher, and inspire the next generation of students to thrive.

How does it work?

- You'll be paid while you're learning - based on a teacher's yearly salary of up to \$106,416 (hourly rate of \$58.27) via our Paid to Learn program
- Get Certificate IV in Training and Assessment (TAE40122) qualified in 14 weeks
- Full-time course, 35 hours over 5 days approx.

What you get:

- Flexibility to combine teaching, work and your lifestyle
- Guaranteed work with TAFE NSW, a leading NSW provider of education & training
- Earn a teacher's salary of up to \$106,416
- Full support and mentoring, so you can continue to grow and develop as a teacher

The program gave us time to prepare, observe, and practice before getting our own classes, which I think was very important.
